INTRODUCTION

Mazal Tov on your upcoming simcha! We are delighted to share with you the excitement of seeing your child attain the status of a Bar or Bat Mitzvah. The planning of the actual Bar/Bat Mitzvah ceremony always brings up many questions, such as; when will I receive my date; when do we meet with the clergy; how do we arrange for family aliyot; and many others. This Handbook is intended to answer many of these questions as well as guide you through the Benefi Mitzvah program. We hope to facilitate your family’s involvement with Temple Israel and to enhance the experience of your child’s Bar/Bat Mitzvah.

GLOSSARY OF TERMS RELATING TO BAR/BAT MITZVAH

ALIYAH (Plural: aliyot) – Literally, “going up” – The ascent to the Bimah to recite the blessings over the Torah reading.

AMIDAH – Literally, the “standing” prayer. The Sh’m’a and the Amidah form the central prayer elements in Jewish liturgy. The Amidah is also referred to as Tefillah, “the prayer,” and Sh’moneh Esreh (“18”, referring to the 18 blessings originally recited in the weekday Amidah).

ARON HA-KODESH – or simply Aron: the Holy Ark in which the Torahs are kept.

BAR/BAT MITZVAH (plural: Benei Mitzvah) – One who has attained the age of responsibility to observe the commandments as an adult Jew and to be held accountable for Jewish ritual and ethical behavior. (Traditionally 12 years for girls and 13 years for boys, but at Temple Israel we mark Benei Mitzvah for both boys and girls at 13.)

BIMAH – The raised dais at the front of the sanctuary from which services are conducted.

HUMASH – The Hebrew name of the Five Books of Moses, printed in book form. The word Humash means ‘five’, encompassing the books of B’reishit (Genesis), Sh’mot (Exodus), Vayikra (Leviticus), B’midbar (Numbers), and D’varim (Deuteronomy). Temple Israel uses the official Humash of the Conservative movement, Etz Hayim, which contains the Hebrew and English texts of the weekly Torah portions and Haftarot (selections from the Prophets), as well as traditional and modern commentaries

D’VAR TORAH – Literally, a “word of Torah”; a brief commentary on the Torah portion for the week.

GABBAI – One of the people responsible for giving out honors at Shabbat services, or for checking to ensure the Torah is read correctly.

G’MILUT HASADIM – Deeds of loving kindness incumbent upon all Jews.

HAFTARAH (plural: Haftarot) – literally, “completion”: the reading of a selection from the Prophets for a given Shabbat or festival, which “completes” or concludes the Torah reading. Usually, the Haftarah reading is connected thematically to the weekly Torah reading.
KAVOD – “honor”: generally referring to a bimah honor such as opening the aron (ark), removing from or returning a Torah to the aron, reading from the Torah, or carrying a Torah.

MA’ARIV – The evening service for weekdays and Shabbat.

MACHON – The pre-Bar/Bat Mitzvah family Shabbat service for children in the Hay, Vav, and Zayin (5th, 6th and 7th grade) classes in Temple Israel; derived from the work Mechinah, which means preparation. The weekly Tefillah or prayer group for the oldest Religious School students is also referred to as “Machon.”

MAFTIR – Last section of the weekly Torah portion. The person called up to recite the blessings for the reading the Maftir usually chants the Haftarah (reading from the Prophets).

MINCHAH – The afternoon service for Shabbat, festivals and weekdays.

MITZVAH (plural, mitzvot) – A commandment or obligation the Torah places upon all Jews from the age of Bar/Bat Mitzvah.

MUSAF – The “additional” service in the traditional liturgy of Shabbat, festivals, and the New Moon, which follows the Torah service.

PARASHAH – The Torah portion of the week, sometimes referred to as the sedra. The more complete term is: parashat hashavua

PARASHAT HASHAVUA – Literally “the portion of the week.”

SHAHARIT – The morning service for Shabbat, festivals, and weekdays.

SIMCHA – Literally “joy,” simcha refers to a happy occasion, especially a life-cycle event.

TEFILLAH – Prayer.

TIKKUN OLAM – Literally “repairing the world,” this term, originally applied to the performance of any mitzvah with the intention of redeeming sparks of divinity trapped in everyday objects, is now more broadly understood to apply to actions taken to improve society or redress social, economic or ecological problems.

TROPE/TA’AMEI HA-MIKRA – The notes and cantillation for Torah, Haftarah and the Megillot, which enable a student to read any section of these texts throughout the year.

TZEDAKAH – Literally, “righteousness.” It is the Mitzvah of giving time or money to a worthy cause. (Benei Mitzvah and their families traditionally give Tzedakah in honor of the occasion.)
BECOMING A BAR OR BAT MITZVAH

Becoming a Bar or Bat Mitzvah is a spiritual rite of passage. It is not a single event, but a milestone in the process in a child’s ongoing religious education and lifelong engagement with and commitment to living as a Jew. Becoming a Bar or Bat Mitzvah in Jewish tradition indicates that a child is now recognized as an adult Jew. This status carries with it certain privileges, obligations, and responsibilities. While becoming a Bar or Bat Mitzvah is attained automatically by virtue of age, this change in legal status only becomes meaningful in the context of adequate preparation and study.

To that end, Temple Israel offers rich classroom learning, engaging family prayer services, and ongoing opportunities for our children and their families to participate in Tikkun Olam/Mitzvah projects, as well as individual Bar/Bat Mitzvah instruction. Temple Israel provides multiple opportunities for life-long Jewish education through our outstanding Beth Hagan early childhood program; our innovative, “Re-Imagined” Religious School; the dynamic Waxman High School and Youth House; and a rich array of adult learning programs through the Temple Israel Institute for Life-long Learning (TILL).

Once your child has become Bar or Bat Mitzvah, the next step in the lifelong process of learning and living Jewishly is to continue his or her Jewish education at the Waxman High School, which serves to reinforce his or her Jewish identity both socially & academically. In addition to the Waxman High School, there is a strong youth activities program at the Youth House, including many retreats, social, religious and Tikkun Olam/social action programs.

HOW DATES ARE CHOSEN

Parents and families will be notified about Benei Mitzvah dates two to three years prior to the ceremony, at the Parents’ Benei Mitzvah Orientation. The Benei Mitzvah Committee Chairperson, in consultation with the Rabbis, the Cantor and the Director of Congregational Schools, assigns the dates. Every effort is made to schedule Benei Mitzvah to take place on, or as soon as possible following, your child’s thirteenth birthday according to the Hebrew calendar. However, due to the large number of Benei Mitzvah students, occasionally Benei Mitzvah are scheduled prior to the students’ Hebrew birth dates. If it is important for you that the bar or bat mitzvah not take place prior to your child’s Hebrew birthday, please contact Benei Mitzvah Committee Chairperson, Marc Langsner, 718-707-0377; mlangsner@gmail.com.

Unless specifically requested, dates are generally not assigned in the summer, or over long weekends such as Memorial Day, Labor Day or Thanksgiving weekend, as we can’t guarantee that the clergy will be present on those occasions. Furthermore, dates are not assigned during school breaks, on Shabbat Shuvah (the Shabbat between Rosh Hashanah and Yom Kippur), on the Shabbat between Yom Kippur and Sukkot, or on the Shabbatot that fall during Sukkot, Pesach, and Shavuot.

Because of the number of Benei Mitzvah students, it is often necessary to “pair” two students together on a Shabbat morning. The date is selected well in advance. If your child is paired with another student, we recommend that you contact and/or meet with the other family. There are many instances where cooperation between the paired families is mutually beneficial, including thoughts about the service, pre-date photographs and Kiddush. We will provide the name and phone number of the other family.

**RECENT SCHOOL/JEISH EDUCATION ATTENDANCE REQUIREMENTS**

**TEMPLE ISRAEL STANDARDS OF JEWISH EDUCATION**

Temple Israel of Great Neck remains steadfast in its commitment to the Jewish education of all its members, as outlined in the Temple Israel Vision for Education. We take to heart our mission to educate the next generation of Conservative Jews. To this end, Temple Israel member families with Religious School aged children are invited and encouraged to enroll in Religious School; engage in the synagogue community, and participate in the numerous Shabbat, holiday, and family education opportunities outlined in the TIGN Passport to Jewish Family Life.

We emphasize classroom learning; shared family Shabbat and holiday experiences, as well as other family education opportunities; students’ *Tefillah* (prayer) experiences; professional development for teachers; and ongoing evaluation of all aspects of education. In order to prepare our students to be knowledgeable Jews, and to engage in Jewish community life as they grow, we expect our students to participate in at least six continuous years of Jewish education.

Programs of Jewish Education Endorsed by Temple Israel:
In order for your child to be eligible to receive Bar/Bat Mitzvah training and celebrate a Bar/Bat Mitzvah at Temple Israel, you must be a member in good standing at Temple Israel, and your child needs to be enrolled in and attending one of the following programs:

- Temple Israel Religious School;
- An accredited Jewish Day School or Yeshiva;
- The Gahelet Israeli School;
- Private tutoring (only for students with demonstrable special needs);
- Any of the above programs through the sixth grade, and either the Waxman Hebrew High School or the JTS Ivry Prozdor program during seventh grade.
All of our students, regardless of the program of Jewish education in which they enroll, are expected to participate in our congregation’s Shabbat and Family education opportunities as set out in the TIGN Passport to Jewish Family Life - e.g. attending a minimum of 8 Tefillah (prayer) encounters and 5 Family Education experiences with a parent during the year.

TEMPLE ISRAEL GUIDELINES FOR BAR/BAT MITZVAH

Eligibility for Bar/Bat Mitzvah training calls for a minimum of six years of uninterrupted formal Jewish education, including the year of Bar/Bat Mitzvah instruction. Educational requirements may be fulfilled through any of the programs specified in the “Temple Israel Standards of Jewish Education” found in the Parents’ Handbook and in the Bar/Bat Mitzvah Handbook.

All students enrolled in Temple Israel’s Religious School need to satisfy school attendance requirements in order to be eligible for Bar/Bat Mitzvah training. Additionally, students who:

- Complete the Zayin (7th grade) class prior to their Bar/Bat Mitzvah must be officially enrolled in and attending the Waxman Hebrew High School program, Prozdor or a Jewish Day School or Yeshiva at the time of their Bar/Bat Mitzvah, even if they have already completed six or more years of Jewish education;
- Have celebrated their Bar/Bat Mitzvah prior to the completion of the Zayin grade are expected to complete the Zayin year in a formal program of Jewish study, even if they have already completed six or more years of Jewish education;
- Leave a Jewish Day School or Yeshiva at any point prior to the completion of 7th grade are expected to continue their Jewish education, in a format to be determined with the Religious School or Waxman High School administration on a case-by-case basis.

Cooperation and Communication:

In an effort to foster communication, participation, and accountability in keeping with our shared Vision for Education, the Religious School, Youth House and Temple Israel agree that, where appropriate, the synagogue and school will undertake to communicate with families, including when issues of concern arise. After communicating with families, recommendations may be made to:

1. Call students’ homes where patterns of absenteeism from school and/or Shabbat and family programs are noted;
2. Request a conference with the student and family;
3. Withhold assignment of Bar/Bat Mitzvah ceremony dates until/unless discernible good faith efforts are made to meet educational expectations;
4. Delay or suspend Bar/Bat Mitzvah preparatory tutoring;
5. Withdraw and/or reassign a previously assigned date for Bar/Bat Mitzvah ceremony.
SHABBAT PROGRAMS

DESCRIPTION OF PROGRAMS

The Shabbat Ha-Mishpachah (Family Shabbat) Program is an essential component of the Religious School. It incorporates lively, interactive services that allow children and parents to both learn about and experience engaging prayer and Torah; individual grade-level learning for students through discussions and games; meaningful adult learning for parents; and the opportunity to build community over meals or refreshments. There are also separate services for “Machon” aged students (e.g. 5th-7th graders) and their families, and Machon students experience separate and more sophisticated learning sessions than the younger students.

Shabbat Ha-Mishpachah services focus on specific age cohorts, and each age group prepares for three experiences: Saturday morning, Friday night, or Saturday afternoon. This is a family program, and children must be accompanied by a parent. The goals of these services are to help acquaint children and their families with the essentials of Jewish prayer in preparation for not only the Bar/Bat Mitzvah experience, but also for full participation in Jewish life as teens and adults; to help families connect to the synagogue and the larger Jewish community; and to provide a joyful, inviting context for prayer that will encourage ongoing participation.

The program is open to all Temple Israel families, regardless of whether they attend the Religious School. Gahelet, Day School or Yeshiva students, and those receiving private tutoring are also expected to participate. The schedule of the Shabbat Ha-Mishpachah services can be found in the Religious School calendar and in the “TIGN Passport to Jewish Life.”

“Machon Alone” services (meaning a stand-alone Machon service), for students in Hay-Zayin (5th-7th grades) and their parents, are held periodically and offer students an opportunity to take on leadership roles in their service. These services, led by Rabbi Adelson, provide excellent preparation for main sanctuary services. Students receive credit for these services if one parent attends with them (see below). The schedule of Machon Alone services can be found in the TIGN Passport to Jewish Life and the Religious School calendar. Reminders are e-mailed to parents regularly.

Other Services: In addition, as members of the Youth House, 7th graders are welcome and encouraged to attend all Youth House Shabbat and Holiday services and dinners. On weeks when there is neither a Shabbat Ha-Mishpachah nor a “Machon Alone” service, Machon-aged students (those in grades 5-7) may attend Jr. Congregation (usually for grades K-4) and receive credit. Students are always welcome to attend main sanctuary services at the synagogue, and can earn credit for each of those services.

ATTENDANCE REQUIREMENTS

Students in grades K-7 are expected to fulfill the minimum service attendance requirements as described in the TIGN Passport to Jewish Family Life and the Religious School Parents’ Handbook (at least 8 services each year). At least one parent or grandparent must attend services with their children in order for the children to receive credit. Attendance binders are available at each service, and awards are given at the end of the year to all students who meet or exceed the synagogue’s service attendance standards. Parents should be aware that their children’s
knowledge of and comfort with traditional Jewish prayer will be dramatically enhanced by frequent Shabbat and holiday attendance. The only successful way for a child to learn the melodies and words of Jewish prayers is by actively and regularly participating in them. In addition, all students through grade 7 are also expected to attend at least five Family Education programs with a parent or grandparent each year.

BAR/BAT MITZVAH PROGRAM OF STUDY

TROPE/TA’AMEI HA-MIKRA CLASSES
During the Hey and Vav (5th and 6th grade) years of Religious School, your child will study the Torah trope and Haftarah trope respectively. By mastering these skills, students will be capable of chanting any Torah or Haftarah portions during the year. Our goal is to teach our children these skills before they start their individual tutoring. Torah and Haftarah cantillation is not only an important feature of our Middle School curriculum; it is also a significant synagogue skill that your child will be able to use throughout his or her life.

In order to give students additional practice and confidence prior to their Bar or Bat Mitzvah, Vav and Zayin (6th and 7th grade) students who have mastered Torah trope will be invited by the Associate Rabbi (Rabbi Adelson) to read Torah in the Shabbat Hamishpachah or Machon service. Students who learn to chant the first Aliyah of their torah portion for their benei mitzvah will also have the opportunity to read that Aliyah during the week before as part of the minyan. Please speak to the Cantor if you are interested in this option for your child.

BAR/BAT MITZVAH FAMILY WORKSHOP
During their Zayin (7th grade) year, all Temple Israel students, regardless of whether or not they attend the Religious School, participate in a series of workshop that takes place over two Sundays. The workshops are taught in two or more cycles, and students are assigned to attend a workshop cycle based on their bar or bat mitzvah date. Parents are urged to attend the workshop together with their children in order to experience shared parent-child learning, and to be better prepared for their child’s bar or bat mitzvah. If at least one parent attends these workshops with their child, the student will receive Family Education credit.

In this course, students will learn and discuss the following:

- Why thirteen?
- The role of Mitzvot in our lives and the meaning of Bar Mitzvah and Bat Mitzvah.
- How to navigate our synagogue’s Chumash, and an overview of other great Jewish books.
- Explanation of the Torah reading cycle.
- Bar/Bat Mitzvah technical terms, e.g. Torah, maftir, haftarah, aliyah, kavod, etc.
- Understanding God.
- Conservative Judaism in comparison to Orthodoxy and Reform.

**SCHOOL TEFILLAH SESSIONS, TEACHING TALLIT AND TEFILLIN**

The Director of Congregational Schools and the clergy lead weekly Tefillah (prayer) sessions for all students during Religious School to familiarize them with the key prayers of the Shabbat and weekday services, as well as the structure and meaning of the prayer service. Zayin (7th grade) students participate in weekly Tefillah sessions at the Youth House.

Since Temple Israel is an egalitarian Conservative synagogue, both male and female Zayin students are instructed in wearing Tallit and Tefillin during these sessions. Vav (6th grade) students also receive instruction on Tallit and T’fillin as part of the regular Religious School program in the spring.

**TEFILLAH ENRICHMENT PROGRAM**

During their Vav (6th grade) year, interested students may participate in a class on the prayers of the Kabbalat Shabbat service, taught by Cantor Frieder. The class takes place from 11:45 a.m. to 12:20 p.m. on Sunday mornings, and is open to all 6th graders who are members of Temple Israel and receiving some form of formal Jewish education. A parent must accompany each participant. Students who complete the class conduct a Kabbalat Shabbat service for the synagogue at the end of their 6th grade school year, have the opportunity to lead Kabbalat Shabbat and Kiddush on the eve of their Benei Mitzvah, and are invited to participate in future Kabbalat Shabbat services at Temple Israel. In addition, they receive a special certificate at their Bar or Bat Mitzvah service. Students who complete this program with a parent will receive two Family Education credits.

**BAR/BAT MITZVAH INDIVIDUAL TRAINING**

**TRAINING TO CHANT TORAH AND HAFTARAH**

Temple Israel provides approximately seven months of individual instruction in Torah and Haftarah chanting. Depending on the date of the Bar or Bat Mitzvah ceremony, training may begin as much as ten months in advance to account for vacation time. The Cantor oversees this program and is responsible for assigning tutors. Individual training will proceed as follows:

1) The Haftarah reading coach, Sherry Husney, will contact parents 8-10 months prior to the Bar or Bat Mitzvah and schedule 3-6 weekly sessions with your child to help him/her gain proficiency in reading the Haftarah. At least one parent is asked to attend the first session with his/her child.

2) Sherry Husney will provide the parents with the name of their child’s Torah and Haftarah tutor.

3) The Torah and Haftarah tutor will then contact the parents to schedule weekly lessons.
Students will receive training in the following skills:

1) Each student will learn both the *Haftarah* and the *Maftir* portion of the Torah, as well as the Torah and *Haftarah* blessings. We additionally encourage our students to learn to read as much Torah as possible.

2) Students may have additional opportunities to lead selected prayers or sections of the service, depending on their level of training and preparedness. Additional prayers or sections may include the chanting of *Shema* and the 1st and 3rd biblical paragraphs following it (*V’ahavta* and *Vayomer*); and the recitation of *borei p’ri hagafen* over the wine, the blessings *n’tilat yadayim* (for hand washing) and/or *hamotzee* over the challah at the conclusion of services. Students who participated in the Tefillah Enrichment Program during their Vav year will also be offered the opportunity to lead the *Kabbalat Shabbat* service and *Kiddush* on the Friday night preceding their bar/bat mitzvah. For any role the student plays in the service s/he will need to demonstrate to the Cantor proficiency with the readings and prayers in advance.

The following guidelines will pertain when two *Benei Mitzvah* share the service:

1) We teach the entire *Haftarah* to each student, since we strongly believe in the value of studying the full text.

2) The *Haftarah* is divided between the two students. The first Bar or Bat Mitzvah will read the blessings before the *Haftarah* and the first half of the *Haftarah*, and the second Bar or Bat Mitzvah will read the second half of the *Haftarah*, and the blessings that follow it. Both *Benei Mitzvah* will conclude by chanting the last paragraph of the blessings together.

3) The Cantor, in coordination with the *Benei Mitzvah* tutors, will determine the order of the chanting.

**PREPARATION OF D’VAR TORAH**

Every student will begin *D’var Torah* preparations on an individual basis with either Youth House Director Danny Mishkin, or Rabbi Seth Adelson, who will contact you about 4 months before the Bar or Bat Mitzvah to schedule meetings with your child. Each student will study his/her Torah and *Haftarah* portions in English, and will answer questions pertaining to the Torah and *Haftarah* with his/her instructor, in order to develop an initial outline of a *D’var Torah*. At least one parent is asked to attend the first *D’var Torah* session with his/her child.

There are multiple educational and spiritual goals of the *D’var Torah* preparation process:

- To teach the student a fundamental understanding of the contents of the readings.
- To teach the meaning and significance of the readings in their biblical context and in later rabbinic interpretation.
- To help students find personal spiritual meaning and connection between their own lives and the themes, teachings, or insights of the readings.
- To effect spiritual growth and elevation in the student.
While we encourage you to work actively with your child, the D’var Torah ideas and language must come from the student. You may offer guidance, but the D’var Torah must reflect the student’s own work, not the parent’s.

TZEDAKAH AND G’MILUT HASADIM

We encourage our Benei Mitzvah to accept their new responsibilities as Jewish adults, paving the way for them to be committed to a lifetime of G’milut Hasadim (deeds of loving kindness). During the Vav year, Religious School students research and execute a mitzvah project, focusing primarily on a hands-on activity involving them in direct delivery of services to those in need. Additionally, each Bar/Bat Mitzvah student is encouraged to research and then select a meaningful tzedakah project to which s/he will contribute specifically in honor of his/her upcoming simcha (monetary contributions can be made to the same organization with which the student does the mitzvah project).

Students are also encouraged to inform their guests of their project and invite them to participate in it. Benei Mitzvah may provide fliers and information about their selected tzedakot to be placed on the tables outside the sanctuary on the day of their ceremony.

BAR/BAT MITZVAH CEREMONY

ALIYOT AND OTHER HONORS

About 2 months prior to the ceremony, the Synagogue office will mail you a complete list of instructions regarding the ALIYOT and other HONORS your family may receive during the service. There will also be a general information form, and a form to fill out for the VOICE (includes a request for a photo of your child). Please return the list of potential honorees to the synagogue at least four weeks prior to the ceremony. Please understand that the service includes the entire congregation, whose members with yahrzeits, baby namings, ufrufs, etc., have a right to individual honors as well. The Synagogue reserves two Torah blessing Aliyot per family (in addition to the honors for our Benei Mitzvah students). Usually, parents or grandparents receive these honors, but, of course, you may select other family members. Other honors, such as Ark openings, carrying the Torah, hagbahah (lifting the Torah) and g’lilah (rolling and wrapping the Torah) may be given to your family members. Family members who are called to the Torah must be Jewish and be capable of reading their b’rachot properly.

FAMILY PARTICIPATION IN SERVICE

We encourage parents, older siblings and other relatives to read from the Torah. Younger (as well as older) siblings may participate by leading designated prayers (Ashrei, Ein Keloheinu, Aleinu, Adon Olam). Family members may also join with the Bar/Bat Mitzvah to lead the recitation of borei p’ri hagafen over the wine, the blessings n’tilat yadayim (for hand washing) and/or hamotzee over the challah at the conclusion of services. If family members wish to participate, please contact the Cantor as early as possible, but no later than when your child
begins studying with the Torah and Haftarah tutor. Please remember that any family members who wish to participate in the service will need to demonstrate proficiency with the readings and prayers to the Cantor in advance.

**KIPPOT**
To honor the sanctity of the synagogue, all males are required to wear kippot in the sanctuary (it is customary to do so at all times everywhere in the building), and females are encouraged to cover their heads, especially inside the sanctuary. Many families choose to order personalized kippot to be placed outside the sanctuary for their guests to use. Please contact the synagogue office for names of suppliers. The inscription should contain only the English/Hebrew name of the child, the English/Hebrew date of the service, and, if you choose, “Temple Israel of Great Neck.” The kippot must be given to our Executive Director in a basket by Thursday afternoon. The basket will be placed on a table outside of the sanctuary on Friday afternoon. You may supply your own tablecloth if you wish. The office will provide a sign with your child’s name to help identify your kippot.

**TALLITOT**
Jewish males age 13 and above are expected to wear a tallit, and Jewish females age 13 and above are encouraged to wear a tallit, during all morning services. While the synagogue provides tallitot, it is customary and desirable for each adult Jew to own his or her own tallit. To that end, all Religious School students design their own beautiful silk tallitot during their Hay (5th grade) year. Students may choose to wear their own tallit at their Bar or Bat Mitzvah, or else parents or other family members may purchase a tallit for their child to wear on this special occasion, and in the future. The synagogue’s Sisterhood gift shop has a wide selection of beautiful tallitot and is happy to order additional ones to suit your needs.

**INVITATIONS**
Please include the following information in your invitation:

- The starting time of the service, which is 8:45 A.M.
- The name of the Torah portion as well as your child’s Hebrew name. As a Bar/Bat Mitzvah is a Jewish/religious occasion, the invitation should reflect the spirit of the day.
- Printed information cards with rules about decorum on one side and directions on the other can be obtained from the synagogue office. You are encouraged to include these with your invitations. Please request them from the office about 2 weeks prior to mailing your invitations.

**SYNAGOGUE DECORUM**
The entire synagogue building is a “MAKOM KADOSH” – a holy place. Please encourage your guests (especially teenagers) to dress and behave appropriately in the synagogue and to remain in the sanctuary as much as possible.

- **Dress:** Examples of attire that is inappropriate for the synagogue are bare shoulders and midriffs, extremely short skirts or revealingly low-cut dresses or blouses, as well as blue jeans, sweat pants, tee shirts, shorts, flip-flops and tennis shoes.
• **Electronic Devices:** Please turn off your cell phone before entering the synagogue, and ask your guests to do the same. Cell phones, pagers, cameras, games and other electronic devices may not be used in the building on Shabbat or Jewish holidays.

• **Applause and Conversing During the Service:** The Bar or Bat Mitzvah takes place in the context of a worship service. It is not a performance. We therefore ask our congregants and guests to please refrain from applauding during the service. We ask that you wait until after the service to greet friends and relatives, and otherwise refrain from talking during the service.

• **Bringing In or Removing Items on Shabbat:** Packages, gifts, cameras, food and liquor are not to be brought into or taken out of the building on Shabbat.

• **Smoking:** Smoking is not permitted in our building at any time. Smoking is not permitted on Shabbat or Jewish holidays anywhere on our grounds.

• **Throwing Candy:** We ask that the congregation not throw candy at the Bar or Bat Mitzvah during the service. Instead, the rabbi tosses a few candies towards the Benei Mitzvah at the conclusion of their chanting of the *Haftarah* and its blessings. This eliminates the risk of injury.

We request that all guests respect our Synagogue, our rituals and our property. If you can convey this message to your guests, we are sure your ceremony will be more meaningful. These rules are all enumerated in the decorum cards (mentioned in under “Invitations” above) that the synagogue will be happy to supply.

### FAMILY PICTURES

If you want to have your photographer take family pictures in the sanctuary, please contact the synagogue office at least one month ahead of your ceremony to make an appointment for an appropriate day, as halakhah (Jewish law) precludes photography on Shabbat. If you wish to take pictures with the Torah, please inform the synagogue office at the time you make your photography arrangements and we will do our best to accommodate you. Please be aware that the ark is kept locked and arrangements must be made with the office to open it.

### KIDDUSH

Temple Israel and its congregation is celebrating this most beautiful and meaningful event in your life with you and your family. The entire congregation is invited to attend the Kiddush after every Shabbat morning service. Therefore we require all Bar/Bat Mitzvah families to make a contribution to our weekly congregational Kiddush Fund. In the announcement section of the weekly Shabbat pamphlet, we will mention that your family has made a contribution in honor of your child’s Bar/Bat Mitzvah. If your family and guests are staying for the Kiddush, the bar/bat mitzvah family is expected to sponsor the entire Kiddush. Several levels of sponsorship with a variety of upgraded menu options are available. Please contact Marion Stein in the synagogue office, 482-7800, ext. 1106, for details and a menu of choices: For the 2013-14 fees, see p. 19.
SERVICE REHEARSALS
Four-ten weeks before your child’s bar or bat mitzvah, your family will be invited to come to a group “run-through” with the Cantor in the sanctuary, which will include an overview of the structure of the service, practice of aliyot, instructions on bimah procedures, etc.

In the week prior to the ceremony, the Bar/Bat Mitzvah and parents will meet with the Cantor in the Main Sanctuary where the order of the service and Torah service will be reviewed. During this practice session, the child will chant part of his/her Haftarah and practice chanting from the Torah scroll. The Bar/Bat Mitzvah will also have the opportunity to practice the D’var Torah aloud into the microphone in a clear and slow manner so that he/she will be prepared for the actual delivery during the Shabbat service.

BAR/BAT MITZVAH CELEBRATION

KASHRUT
Bar/Bat Mitzvah marks a young Jew’s assuming of the responsibility to follow the mitzvot and traditions of Judaism. Hence, it is only fitting that the celebration following the ceremony remains in keeping with Jewish tradition and values, including kashrut (the dietary laws).

SHABBAT OBSERVANCE
We also ask our members and their guests to be respectful of the sanctity of Shabbat, and to refrain from activities that would diminish that sanctity. Such activities include the use of phones, pagers, PDA’s, cameras and sound or video recording devices, as well as candle lighting ceremonies, cash bars or caricature artists during Shabbat (e.g. before dark on Saturday night).

OMER
During the period of counting the Omer, from Pesach until Shavuot, certain restrictions may apply to celebrations. If your child is assigned a bar or bat mitzvah date that falls within this period, you should consult with the Senior Rabbi at your earliest convenience.

BUSSES
Because of the limited amount of space in the Temple Israel parking lot, busses cannot be accommodated on Shabbat or Sunday mornings. Please instruct any bus company with whom you contract to park on Old Mill Road.
CATERING YOUR SIMCHA AT TEMPLE ISRAEL

It is Temple Israel’s sincere hope that, should you choose to cater a party or festive meal of any kind as part of the celebration of your simcha, you will choose to do so at the synagogue. Hopefully, our Temple’s role in your family’s life leading up to his simcha was significant, and choosing to celebrate your simcha at the synagogue will enhance the meaning of your celebration for your family.

Lederman Caterers is the exclusive caterer at Temple Israel for all private functions, parties or affairs held anywhere in our Temple. While Lederman Caterers is prepared to supply a wide range of catered foods and/or beverage service to accompany the celebration of your simcha, they do so in the context of established agreements between with Temple Israel. In planning your simcha celebration at Temple Israel, we’d like you to be aware of the following:

- Only Lederman Caterers is permitted to supply catered food for any private party or function held at the synagogue, regardless of whether your party or function is held in the Main Ballroom, Reception Room, Crystal Ballroom, Blue Room, or any other room. Please do not ask the synagogue’s staff, clergy or other Temple representative for permission to bring food in from any outside source to be served at your function or party at the synagogue.
- Lederman Caterers is a separate, private, for-profit legal entity that has contractually been granted a license to use the synagogue’s facilities. The synagogue’s staff and clergy are not to be involved in your individual contractual discussions and negotiations with Lederman Caterers, regarding the cost or other aspects of your party or function.
- Bar/Bat Mitzvah families have a ninety (90) day exclusive period from the time they receive notification from the synagogue of their Bar/Bat Mitzvah date in which to engage the Caterer’s services for their date. However, this period only bars non-Temple members from booking with the Caterer for that date.
- Be aware that often two (2) families are given the same Bar/Bat Mitzvah date, which means that two (2) children will share that date for their respective Benei Mitzvah. The Caterer will book parties for Temple members on a “first come, first served” basis. Therefore, you are encouraged to speak with the Caterer as soon as possible after you have been notified of your Bar/Bat Mitzvah date. Nevertheless, to try to accommodate the desires of Temple members who wish to celebrate their child’s Bar/Bat Mitzvah with a private Kiddush immediately following the Shabbat service, the Caterer may try to book one private Kiddush in the Main Ballroom, while a separate private Kiddush is served in the Reception Room for another party. It is also possible to sponsor the Congregational Kiddush in the Crystal Ballroom.
- Temple members who have been granted a non-Shabbat morning Bar/Bat Mitzvah service should be aware that the use of the synagogue’s Sanctuary for such an occasion is not permitted unless the services of the Caterer are used for a party or function following thereafter.
- The synagogue has a standing Catering Committee to assist Temple members with any questions or difficulties that may arise in the dealings between the Caterer and the synagogue and its members. If such assistance is desired, please call the synagogue office for the name and telephone number of the Committee’s Chairperson.
