

April 2024

Dear Families of children in fourth through sixth grades,

On **Sunday, May 5, 2024, at 7:00 pm**, Temple Israel and Temple Beth-El will hold the annual **Yom Hashoah Commemoration** (taking place at Temple Israel), during which we will honor Holocaust survivors. Children in fourth grade and above are invited to accompany our survivors in the opening procession. It's considered to be a very big honor to be able to escort one of our survivors. As the ranks of the survivors dwindle, we realize that this is likely to be the last generation of children who will have this special honor. We invite 2nd & 3rd generations to join us.

The program will be appropriate for children in fourth grade and older, but given the sensitive nature of the subject, all children should be accompanied by at least one adult.

Please RSVP to Karel at ktanenbaum@tign.org or 482-7800 ext. 1134 **by April 25th** if your child will be able to participate. We ask participants to meet in the lobby outside the Temple Israel Sanctuary at **6:45 pm** on May 5th, wearing *a white blouse or shirt with a collar and black or dark pants or shirt, and a kippah.*

B'Shalom,

Connie Reichman
